## **Guiding Principles: (continued)**

4. Supporting the continued professional development and growth of all employees and valuing their contributions.

# Why are we here?

- The *Every Student Succeeds Act of 2015* requires that

# What you will learn...

- What does it mean to be a Title I school?
- What is the 1% Set-Aside for parent and family engagement?
- What is the LEA Title I Consolidated Plan?
- What is the LEA Parent and Family Engagement Plan?
- What is a CIP?
- What is the School-Parent Compact?
- How do I request the qualifications of my child's teacher(s)?

# What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for...
  - Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards.
  - Purchasing supplemental staff/programs/materials/supplies
  - Conducting parent and family engagement meetings/trainings/activities
- Being a Title I school also means parent and family involvement and knowing their rights under ESSA.

# What is the 1% set-aside and how are parents involved?

- Any LEA with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the LEA. Therefore, each Title I school receives its portion of the 90% to implement school-level parent and family engagement with clear expectations and objectives for meaningful involvement.
- You, as Title I parents, have the right to be involved in how this money is spent.
